Sir:

In response to the Notice of Allowability dated January 7, 2005 kindly enter Applicant's
comments without prejudice as follows:

**Comments on Statement of Reasons for Allowance**

It is respectfully submitted that while the specific features and relationships mentioned in the statement of reasons for allowance are not disclosed or suggested in the prior art, these are not the only reasons for allowance. For example, independent claim 1 and dependent claims 2-14 recite additional features and relationships not mentioned in the Statement, which are also not disclosed or suggested by the prior art. The Applicant disagrees with all undue limiting remarks in the statement.

It should be understood that the allowed subject matter is to only be directed to that subject matter which is specifically recited in the claims. Any remarks in the statement which add to or subtract from the specifically recited subject matter should be disregarded.

Respectfully submitted,
